Leave

Personal Days 3 Sick Days 12

Teachers entering Cannelton City School Corporation with accumulated sick leave from another corporation may have more than three days transferred annually at the discretion of the Superintendent.

Accumulation for anyone under 150 days will only be allowed to accumulate to 150. The Corporation will deposit \$25 per day over 150 in a 401a account by July 31st of each school year.

Teachers that are currently at 200 will remain at that accumulation and receive \$25.00 per day over 200 in a 401a account by July 31st of each school year.

Should these teachers drop below two hundred in a school year, that final number will become their new number for maximum accumulation. For example if a teacher at the 200 day maximum uses all 15 days this year and an additional 20 days, the new maximum accumulation will be 180. The accumulation for these teachers will never be lower than 150.

Following bargaining, the Superintendent, UniServ Director, and President will meet with Security Benefits to establish 401a, VEBA, and 403b accounts.
