2. Masks are required to enter the gym. These are available for purchase at the gym entrance for \$1.00 each if needed. Masks can be removed only to eat or drink concessions.
3. Families and Guest groups must sit 6 feet apart from other guest groups to maintain social distancing guidelines.
4. Players will wear masks while on the bench. Coaches must wear masks at all times. Referees and active participants can remove masks while on the gym floor during play.
5. Guests and student participants must exit the gym when the game is finished. No lingering post-game will be allowed.
